

# **LHV PRECAST INC.**

PROUDLY PRESENTS  
**ENGINEERS SEMINAR**

**DECEMBER 15, 2005**

HOLIDAY INN KINGSTON, NY  
EARN 3.0 PROFESSIONAL DEVELOPMENT HOURS BY ATTENDING!

LHV Precast will be introducing two of their latest products. This past January LHV has signed up a licensing agreement to produce and market stone strong systems. This is the largest modular retaining wall block on the market.

Secondly this year we have partnered up with CDS technologies. A storm water pollution control system.

In conjunction with CDS technologies LHV will be introducing storm vault. A highly competitive storm water holding chamber.
